

# Interior Heating "Mini"

Dynatherm Mini Interior Heating is the perfect point heat source to use at work. The appliance is fitted underneath the desk so is not visible but the cosy warmth it generates can certainly be felt!

All Dynatherm Mini Interior Heating units are made of 0.8 mm galvanized sheet metal and are given their finishing touch in the powder coating line on our premises.

Dynatherm Mini Interior Heating is available in various sizes:

Item No.	Product	Colour	Power [W]	Dimensions [cm]	Weight [kg]
WH-381104	Mini 90	white	90	28,5 x 70 x 1,5	2,5
